#### TO ROME OR AGNOSTICISM.

With all the slashing vehemence that has focussed the eyes of the world on his pulpit in the West End of London, Rev. Bernard Vaughan preached at St. Patrick's Church in Montreal yesterday.  
It was not at the world of fashion, but the absence of the mass from the Protestant faith that he directed his eloquence.  
A murmur of something more than interest ran through the congregation—the largest English-speaking parish in Canada—as he declared that active in England a half of Protestantism is drifting to agnosticism, while half is creeping back to Catholicism led by the High Church Anglicans.  
Cardinal Logue attended the service with Mgrs. Seagraves and Riordan, Archbishop Redwood, of New Zealand; Archbishop Howley, of St. Johns, N. E. The mass was celebrated by Rev. I. N. Elliott.  
Father Vaughan took for his theme "The Mass, the Soul of Religion." He reminded his hearers that the sacrament was something more than pious prayer, devotion or service. He said:  
"It was the work of the so-called genius of Protestantism in the sixteenth century to invent a form of Christianity without sacrament. In this present century the most active High Church party, has discovered the fatal mistake. Instead of calling with those gone by the mass 'a blasphemous fable and a dangerous deceit,' the High Church Anglicans declare the mass to be a true, proper and propitiatory sacrifice which is the very soul of true religion.  
"The Protestantism of today is dividing itself into two sections in England. There is the section influenced by rationalism and the section believing in revelation and authority. The former is drifting to agnosticism. The latter is creeping back to Catholicism. Let us extend a helping hand to those who are feeling their way back to the old tradition, until in the cathedrals, ministers and abbots that girdle the motherland the soul giving sacrifice of the mass may again be offered and that our people may once more be united through the same sacrifice and the same sacraments to Christianity that were instituted by Christ."  
At all the churches of Montreal yesterday special prayers were offered for the success of the Eucharistic Congress which will open on Tuesday night at St. James' Cathedral in that city with the solemn reception of the Papal Legate, Cardinal Vincent Vanutelli. The city and provincial government buildings, the places of business and all the residences are gaily decorated. Crowds are pouring into the city every hour, and by Tuesday it is expected that there will be 40,000 visitors in Montreal.  
Last night labor demonstrations were held at Notre Dame and St. Patrick's where Cardinal Logue preached before 3,000 persons.  
Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant to take. Sold by W. F. Creighton and Richard Gibson.

#### HEARS FROM THE DEAD!

A dispatch from Roston says: That Prof. William James, the Harvard psychologist, who died a week ago last Friday, has accomplished his expressed desire to communicate from beyond the grave if he found it possible, is the amazing statement made by Rev. Dr. Frederick A. Wiggins of Brookline, pastor of Unity Church and a spiritualist with whom Professor James had discussed this engrossing question.  
Professor James, died at Chocoma, N. H., on August 26, but Dr. Wiggins, who has been attending a convention of spiritualists at Madison, Maine, did not learn the news until last Sunday. He immediately set about getting into touch with the spirit of the professor, and declares that during an hour's summoning of his control the spirit manifested itself.  
DIAMONDS POURING IN.  
More diamonds and other precious stones and luxuries of all varieties came into the port of New York during August than at any similar period in the last three years, according to the August report of George Wanamaker, appraiser of the port.  
Imports of precious stones during the month amounted to \$1,000,000 in excess of the imports for the same period in 1909, and \$3,000,000 more than the receipts of August, 1908.  
Mr. Wanamaker says:  
"The appraised value of precious stones and pearls for the month is \$4,315,890.21, as compared with \$3,262,099 in August, 1909, and \$1,257,868 in August, 1908."

#### SUICIDE WAVE.

Bodies of two women who ended their lives by drowning were identified at the morgue in Philadelphia yesterday, another woman's body is not identified and three other young women were found suffering from the effects of illuminating gas which the police say they inhaled in an effort to end their lives. One man who was found dead in a gas filled room is also supposed to have committed suicide.  
Alexander Rodkowsky, awaiting trial for murder, hanged himself in his cell in the Queen's county N. Y., jail yesterday morning. Bits of twine taken from bundles had been concealed by him from time to time, and were twisted into a rope by Rodkowsky. After trying one end of it to a bar in the cell door and the other around his neck he managed to strangle himself. The murder for which Rodkowsky was awaiting trial was committed on June 20, when he took his wife out for a walk on the shore of Long Island Sound and stabbed her to death. He then hid the body in a pile of underbrush, where it was found the following day and identified.
